Coach's observations: \_\_\_\_\_

---

We strive to encourage our students to engage in a variety of vigorous, enjoyable physical activities in our class. We want our students to be active and have fun, but behavior standards must be met in order to foster a safe and effective learning environment. Please speak to your child about our concerns.

Please sign this note and have your child return it to P.E. on the next school day.  
Please write any concerns on the opposite side.
