

Meadows Elementary

Home-School Compact

For the 2018-2019 School Year

At Meadows, we believe that strong support from parents equals outstanding academic achievement. We are so proud that your child attends our school. We would like to provide you with an agreement for what we can do, what you can do, and what your child can do to make this the best year ever!

Meadows Elementary will...

-  Provide a safe and caring environment where students are expected to be self-directed, responsible, and monitor their own behavior.
-  Provide instruction that meets your child's needs, motivates them, and is engaging and meaningful to each student.
-  Communicate with parents and guardians on a regular basis about your child's academic and behavior progress as well as school events and news.
-  Monitor and assess each student to ensure achievement and to provide continued assistance based upon each student's academic needs.

As a parent, I will...

-  Provide a time and a quiet place for my child to study and complete homework assignments, and I will encourage my child to read *every* night.
-  Request and attend parent-teacher conferences to support the academic goals for my child.
-  Support the school by assisting in my child's learning while praising and encouraging his/her efforts.
-  Make every effort to make sure my child is in attendance and on time for school.
-  Review rules and procedures for classroom and school
-  Reinforce positive behavior at home.

As a student, I will...

-  Show respect to teachers, adults, students, and myself at Meadows.
-  Come to school on time and prepared to learn.
-  Make a commitment to read every day.
-  Do my best in all of my class work and homework.
-  Follow rules and procedures.
