**Statement of Purpose**

Trimmier Elementary School is dedicated to providing a quality education to every child by continuing to strengthen partnerships with parents and the community. We believe all children will achieve higher levels of social and emotional success through Parent, School, and Community involvement.

**Parent Involvement in Developing the Policy**

The Site-Based Decision Making committee of parents, volunteers, and community representative and staff members will provide input to assist further developing our policy. The policy will be made available to all parents in the school at our annual public hearing and/or at Parent Conferences.

**Annual Meeting**

A meeting will be held to provide parents with information about the Title I guidelines, parent involvement/ orientation, curriculum, assessment, and our school-wide plan. The annual meeting will take place once a year at the beginning of the school year.

**Home-School Compact**

Teachers will provide the Home-School Compact at the Parent Conferences. It will be reviewed and revised annually to meet the current needs of the school, parents, and students. The compact will identify the expectation of each partner in supporting academic achievement. The Home-School Compact will be discussed on **Meet the Teacher Night** in conjunction with the Student Code of Conduct. The signed copies of the Home-School Compact will be maintained in the Parent Liaison's office.

**Types of Parental Involvement**

- \* Providing resources to reinforce academic skills at home such as Tiger Web link re-established.
- \* Participate in school-wide activities
- \* Allow parents the opportunity to help in classrooms (reading and small groups), cafeteria, Library, ect sharing their knowledge and skills.
