The Character trait for April is Perseverance

Perseverance is the ability and self control that pushes you to work through challenges. Having perseverance means that when you are facing a challenge, you use your mind and your body to overcome it. Perseverance means you are able to wait and work through difficulties, whether they have to do with your mind, your body, or your emotions.

It's important to point out that the definition of perseverance is **not** "don't give up no matter what" or "never quit". Sometimes you'll do your best but it will still be time to move on to a different goal. However, perseverance is the ability to do your best toward a goal, even though it's a big challenge.

"Perseverance is failing 19 times and succeeding the 20th." – Julie Andrews

Month of the Military Child

In 1986, Secretary of Defense, Caspar W. Weinberger designated each April as "the Month of the Military Child". It is a special opportunity to acknowledge and honor the service of our littlest heroes, our military children. This month recognizes the important role military children play in our communities.
