

Morning Arrival Map

Day Care Providers: Please enter the campus from the parking lot on Colorado. Turn east and drop off students underneath the awning. **This is the only area for Daycare drop off/pick up!!!**

Walkers: If students are not eating breakfast, they must enter through the front doors. Parents may walk their child/ren through the front doors to the "T", but are not allowed to walk their child/ren down the hallways. Students who wish to eat breakfast should enter the cafeteria doors.

Car Riders: We have two entrances for morning car rider drop off, our front doors and our doors facing Colorado. To drop your child off at the front of the school, please form a single line from the intersection of Hunter's Ridge & Aspen. To comply with traffic rules, please do not create a second lane of traffic to park and drop off your students. All cars entering from Hunter's Ridge & Aspen should be in a single file line. To drop off your child at the doors facing Colorado, please enter the parking lot on Colorado and turn left. Please do not block the crosswalk and be mindful of the speed limit which is 5 mph. Students should be dropped off on the curb closest to the school. For the safety of all students, please do not drop them off in any other area.
