Title 1 Campus
2018-2019

Purpose: West Ward Elementary School provides a quality education to every student. It is our goal to establish partnerships with parents, family members, and the community by working together to promote success for our children. We believe that with our combined efforts we can achieve success.

Policy Development: An advisory committee of parents, family members, staff, and administration were essential providing input for the development of this policy.

Annual Meeting: A meeting will be held to provide parents and family members with Title 1 guidelines, Home/School Compact and campus policies. Parents and Family Members are encouraged to attend this meeting. A question and answer time will be included in the agenda.

Home/School Compact: The Home/School Compact will be reviewed annually and revised as necessary. The compact identifies the responsibilities of each party in supporting academic success.

Meeting the Needs of Parents & Family Members:

The needs and wants of the school community will be assessed using surveys, conversations, and group meetings. Information gathered will be used to design Parent & Family Engagement activities.
