Discipline—Tardiness

Students should be in their assigned seat by the second bell. Hall sweeps will be conducted between each period in attempt to minimize tardiness. During the “sweep”, all students in the hall after the tardy bell will have to report to the staff on duty to receive a tardy slip. Tardies are cumulative throughout the entire semester and will reset upon return from Winter Break!! Violation tracking begins August 30th!!

Drill Safety & Procedures

Practice Safety Drills

• The safety of your child and all children in our schools as well as the safety of our campus staff and support personnel is very important to us. In order to maintain a safe learning environment for our students, it is necessary that we practice our Emergency and Crisis Response Plans by having drills designed to exercise our emergency procedures.

• We will be conducting various safety related drills throughout the school year.

• It is important to practice proper safety drill procedures so that students can be prepared in the event of a real emergency. Practice with your students and explain why we conduct these drills.
