

Parent Schoology Information

- Please DO NOT login to your student's Schoology account to check their assignments.
- If you want a parent account to track your child's school work, then please contact your child's teacher to request a parent letter to be sent to you.
 - Parent letters are ONLY sent to email addresses that are on file with the counselor.
 - If you don't have access to that email, please talk with the counselors to update your email address.
- All information needed to set up an account will be on the parent letter.
- Grades will not be seen on Schoology, to see your child's grades, use Home Access Center.
