

Want to Play Sports in Killeen ISD

1. The **medical history** must be completed every school year. Both **parent/guardian and student must sign the bottom**. If a student filled one out for the 2018-2019 school year, they will need a new medical history form for the 2019-2020 school year.
2. The actual physical must be completed by a physician. The signature of the doctor and establishment where the physical took place must be on the form. **This is not the same as a well child or annual appointment**. This is a separate evaluation your care provider must do specifically for sports.
 - **Killeen ISD is providing FREE physicals to KISD students on May 16th at Manor Middle School. All incoming 7th graders need a sports physical. Transportation will be provided if needed.**

***Online forms must be completed by parent/guardian and student. They can only be done only at

<https://killeenisd.rankonesport.com/New/Home.aspx>

There are four tabs at the top of the page. Home, Instructions, Physical/Medical History, Electronic Participation Forms.

Please read the instructions tab first. If you already filled out the medical history and physical form then skip this tab. All three forms under the Electronic Participation Forms must be filled out.

- *KISD Code of Conduct & Drug Testing Consent*
- *KISD Student Athlete Information & Emergency Treatment*
- *UIL Forms Signature Page*.

Make sure to check all appropriate boxes on the sides and bottoms of these forms. There is also a space at the bottom of all forms to have a copy sent to your email address. We recommend you use this as a backup.

3. Turn in all Medical history and/or physical forms to Coach Bains (Boys) or Coach Whitaker (Girls). Online paperwork will automatically go through in the system when completed correctly. Students must check with Coach Bains or Coach Whitaker before trying out for any sports to make sure they are cleared.

If you have any questions please feel free to contact Coach Bains or Coach Whitaker
