In an effort to keep the academic environment free from distractions, per KISD policy, electronic devices are prohibited on school property during the school day. This includes, but is not limited to: cell phones, gaming devices, iPads, iPods, AirPods, headphones, earbuds, etc.

Students bringing electronic devices for use before and after school must keep their device off and stowed in a backpack/string bag, purse or locker at all times during the school day. These items may not be kept on their person or in their shirt/pants pockets. Any visible device will be confiscated and appropriate actions taken.

What happens if a student is caught with a visible electronic device?

The electronic device will be confiscated and a Type II District Conduct Violation will be documented, AND the device will be turned in at the Assistant Principal’s office for safe keeping.

1\textsuperscript{st} Offense:
- Type II violation
- Student may pick up their device at the end of the school day

2\textsuperscript{nd} Offense:
- Type II violation
